EMERGENCY

Information Storage Cabinets

Product Overview

Trafalgar is a long established and privately owned Australian company whose name is synonymous with the supply of hazardous chemical storage cabinets. Trafalgar has been making safety cabinets for over 50 years and will continue to do so into the future. We are proud to be fighting hard to keep manufacturing alive in Australia and competing against cheap and inferior imported products. From our manufacturing plant in Sydney's west, Trafalgar's range of **Emergency Information Storage Cabinets** are all locally made and are available in two standard sizes. If you require a larger storage capacity cabinet call Trafalgar to discuss your requirements.

Emergency Information Storage Cabinets

USED TO STORE emergency and hazardous material information (eg MSDS) that is required by emergency services personnel.

Trafalgar has the expertise and capabilities to custom manufacture safety cabinets. Contact us to discuss your specific requirements.
